## **1. Background**

Madan Bhandari Memorial College (MBMC), established in 2001, is driven by a comprehensive vision of fostering transformative leadership. The college's philosophy centers on developing high-quality professionals who can drive meaningful progress in various sectors. By emphasizing excellence, the institution aims to cultivate leaders with exceptional qualities capable of advancing human civilization and contributing positively to society.

The college adopts a strategic approach to achieving its mission, developing periodic plans with clear goals, objectives, and targeted actions. It is committed to delivering quality education through carefully implemented policies, comprehensive programs, and a robust self-evaluation system that ensures continuous improvement and accountability.

MBMC provides diverse academic programs at both Bachelor's and Master's levels across Science and Technology, Management, and Humanities & Social Sciences. Serving approximately 1,000 full-time students, the college distinguishes itself through several key strengths. These include modern infrastructure, highly qualified faculty and staff, innovative teaching methodologies, effective student evaluation systems, strong student support mechanisms, regular monitoring processes, and active community engagement.

The institution maintains a comprehensive commitment to quality across multiple dimensions. Its governance framework emphasizes transparency and accountability, creating an environment conducive to academic excellence. The college prioritizes innovative curriculum development, enhanced student learning experiences, and robust research opportunities. Continuous investment in infrastructure and learning resources ensures students have access to cutting-edge facilities and comprehensive educational tools.

By implementing sophisticated Educational Management Information System (EMIS) and maintaining transparent public information system, MBMC facilitates informed decision-making and maintains open communication with all stakeholders. These deliberate, multi-faceted efforts demonstrate the college's unwavering dedication to educational quality and institutional effectiveness.

## **2. Purpose of the Report**

MBMC submitted its Self Study Report (SSR) in 2076 BS upon which, HEQAAC/UGC issued feedback regarding the SSR's improvements. Nonetheless, there was significant lag in the submission of revised SSR because of misunderstandings and inconsistent grasp of the QAA implications among the stakeholders. Notwithstanding the issues and challenges, the college made its utmost effort to go through quality assurance and accreditation process. In line with which, the college submitted its revised SSR on 2080/11/23 BS at UGC, which was approved by HEQAAC/UGC on 2080/12/12 BS. Upon the formation of the college's Peer Review Team (PRT) by HEQAAC/UGC on 2081/01/20 BS, Pre-PRT assessment team visited the college

during 2081/03/16 - 18 BS. the team issued assessment report that comprises recommendations for improvements, in response of which, the college submitted its report complying the recommendations provided by the team. Following the event, PRT full team visited the college during 2081/08/11 - 14 BS. The PRT recommended further areas for improvements. Thus, MBMC has prepared this progress report in response to the recommendations enlisted in the assessment report provided by the PRT team.

### 3. Process of Report Preparation

Immediately after the completion of PRT visit, the following actions were undertaken to prepare this report:

- The college's Internal Quality Assurance Committee (IQAC), including the Self Assessment Team (SAT) held discussion sessions to make a common understanding on the recommendations put forward by the assessment team.
- After the discussion, the SAT prepared an action matrix to fulfill the gaps as recommended by the assessment report. The activities to be conducted were identified including the relevant testimonials that need to be documented and annexed with the response report. The task-wise responsibilities were assigned with presumed deadlines. The action matrix was disseminated to all the concerned so that the activities would be completed within the stipulated time seamlessly.
- The activities were carried by the concerned, with the facilitation of IQAC and SAT. After completing each task to meet the specific recommendation, the SAT composed the response report and annexed the pertinent testimonies. Similarly, every suggestion was met with the response write-up and the testimonies.
- The SAT shared draft of the response report among the members of the IQAC for finalization. The suggestions provided by the IQAC was incorporated in the report to finalize it. The final response report was shared to the CMC, college administration, student body, faculties, non-teaching staff and all the concerned. It was decided to submit the response report to HEQAAC/ UGC with everyone's consent.

## 5. Conclusion

Madan Bhandari Memorial College (MBMC) views the Quality Assurance and Accreditation (QAA) process as a crucial opportunity for institutional transformation. The college aims to comprehensively evaluate its operations, identify potential areas for improvement, and implement sustainable enhancements that align with its quality assurance objectives.

The institution has undertaken significant reforms across multiple domains. These include restructuring administrative policies and procedures, enhancing teaching and learning approaches, expanding curricular and extracurricular activities, promoting research initiatives, upgrading infrastructure and resources, improving Educational Management Information Systems (EMIS), strengthening public information management, and developing more accessible student support services.

MBMC remains steadfastly dedicated to continuous improvement and quality assurance. The college's ultimate goal is to fulfill its foundational vision and mission by delivering high-quality, relevant higher education that can meaningfully contribute to societal and national development.
