- PUBG

The students should follow the under mentioned guidelines to register their names for individual events, team events and E-Sports events;

- An individual student can take part in maximum of **two individual events, two team events and two e-sports events**. Registration on more than two respective events will disqualify the player from the event.
- There should be teams according to faculty and stream. No separate team will be registered on the basis of individual selection and class.

- c. The college will provide jerseys for the players. Other than that, every individual/team is subject to arrange required articles like boots, knee-pads, etc for the game.
- d. There should be exactly 3 extra players for futsal, basketball and Volleyball.
- e. There should be 8 members for each team of Tug of War.
- f. Maths/Quiz race and e-sports events are gender inclusive competition, will be open for both boys and girls.
- g. The venues for Futsal and Volleyball will be notified later while all the other events will be played within college premises.
- h. All the games will be played following the standard rules and practices of respective games.
- i. Students must submit a copy of their id card before participating in each event and students must carry their id cards with themselves throughout the Sports Week.
- j. Students must be present in college dress or college t-shirt during Sports Week.
- k. In case of any dispute or controversy, the ECA committee holds all the right to take decision.
